### **Press Statement of the Permanent Mission of the Democratic People's Republic of Korea to the United Nations**

The Permanent Mission of the Democratic People's Republic of Korea (DPRK) to the United Nations issues a press statement with regard to a letter of the Representatives of the north and south Korea addressed to the UN Secretary-General and the President of the General Assembly requesting to circulate the "Panmunjom Declaration on Peace, Prosperity and Reunification of the Korean Peninsula" as an official document of the United Nations.

This is to acknowledge that, on September 6, both Representatives of the north and south Korea to the United Nations have jointly signed and delivered the letter to the UN Secretary-General as well as to the President of the General Assembly requesting them to circulate the historic Panmunjom Declaration of April 27 as official document of the United Nations.

The request for this official document circulation of the Panmunjom Declaration to the United Nations shows full determination of the north and south Korea to keep advancing the north-south ties without deviation that have entered definitely the new orbit of peace, the orbit of reconciliation and cooperation.

The active support from all UN member states to implement the Panmunjom Declaration would exert great encouragement to the dramatic changes towards relaxation of the tension and the peace on Korean peninsula.
